

## BLUE BOOK

*The Blue Book is the basic document governing WBCCI and is available for downloading at <http://wbcci.org/club-information/general-info-and-forms>.*

*It is full of lengthy and excruciating details and instructions on such esoteric topics as colors of unit officers' badges, flag etiquette, voting procedures at Delegates Meetings and anything else you might want to know about how the organization runs. Although an important document it is not particularly scintillating as general reading material but is better used as a research vehicle for specific topics in which you may be interested.*

*In early 2013 a number of changes were made to the Blue Book and one modification of particular interest to individual units is **Appendix 6, Updated Unit CBL**, i.e., Constitution and Bylaws. This lengthy document is not repeated here but is available as part of the Blue Book at the above referenced website.*

*Appendix 6 consists of detailed "suggested" Constitution and Bylaws which units are expected, read required, to use. For many years the San Diego Unit has been very successful while using its existing Constitution and Bylaws, which differ from WBCCI's in wording but not in meaning, and has opted to retain them as governing documents. Those San Diego documents are included in this section of the unit website.*
